ESF General Sales Policy

ORDERING PROCEDURE: The customer should place their order on their own numbered order form, indicating the quantity, model number, catalog number, color(s), shipping method and preferred routing. Written orders confirming phone orders must be marked "confirming," otherwise the customer may be liable for the cost of recovering duplicate shipments.

PRICES: Prices are based on specifications as shown in our literature and as described in this price sheet. Any deviation must be quoted from the factory. We reserve the right to substitute materials, if materials are not available, and to make design changes which, in our opinion, improve the product. Prices are subject to change without notice. Quotes already outstanding will be honored for a period not to exceed 30 days.

GENERAL SALES POLICY: No order in process of production, or product other than standard, is subject to cancellation, delivery deferment, or specification change without written acceptance from the factory.

RETURNED GOODS: No returned goods will be accepted unless written consent is given by ESF's home office. A 25% handling charge will be made on all returns unless manufacturer's error. Special order merchandise is not returnable.

SPECIAL REQUESTS: For special pricing for volume purchases, please fax or e-mail the request to using our ESF Special Pricing Request Form to assure complete information. Allow up to 2 days for turnaround (we strive to execute quotes even faster), up to 5 days when quotes include special laminates, certificates of insurance, bonds, etc. When successful, please attach a copy of our quote to your actual order when you send it to us.

TAXES: Sometimes the collection of taxes is imposed on the manufacturer. Therefore, there shall be added to the sale price any excise, sales, occupation, use, or other tax imposed upon the manufacturer incident to this sale unless otherwise noted on order.

CREDIT: All orders will be subject to the approval of the ESF credit department.

TERMS: Net 30 days.

TRANSPORTATION RESPONSIBILITY: ESF products are shipped F.O.B. factory of origin. This means that the buyer, and not the seller, owns the goods and carries all the risk of loss or damage after the goods leave the factory. It is the buyer's responsibility to inspect the shipment upon delivery before accepting delivery in good condition. Any damage, visible or concealed, must be noted on the carrier's delivery receipt in the presence of the driver. This should be done before signing the bill of lading accepting the goods in good condition. If concealed damage is suspected, merchandise should be uncartoned and inspected within 15 days after delivery. Save all cartons and request an inspection from the freight company within that time period. The customer is responsible to file a freight claim. ESF will assist in filing loss or damage claims upon receipt of proper documents, but cannot be responsible for the actual collection of claims or replacement of the order.

DELIVERY: ESF assumes no liability for damages on account of delay in delivery resulting from any cause whatsoever beyond its reasonable control. ESF will ship orders in quantity uncartoned by furniture van if requested. The additional cost will be charged to the customer. ESF reserves the right to ship by van at their own discretion. Freight charges, in this case, are not to exceed equivalent LTL rates to same destination.

SPECIALS: Prices on plastic patterns by other manufacturers (such as Formica and others) are available upon special quotation. Shipment on all special color is 45 days after receipt of order.
