STOOL COLLECTION

ESF stools have a heavy-duty, square tubular steel base with a powdercoat finish. Stools are adjustable or fixed height with a hardwood, MDF or black plastic seat. The durability of these stools make them ideal for science classrooms, art rooms, or workshops.

A special class of furniture for the unique environment of education.

Choose from rectangular, round, square, trapezoid, or kidney shaped tables.

All Premier Activity Tables have a continuous welded frame that eliminates the bowing and instability associated with many classroom tables. Students, equipment, and cartons of textbooks are no match for the stability and strength of uni-frame tables.

FLIP-TOP COMPUTER TABLES

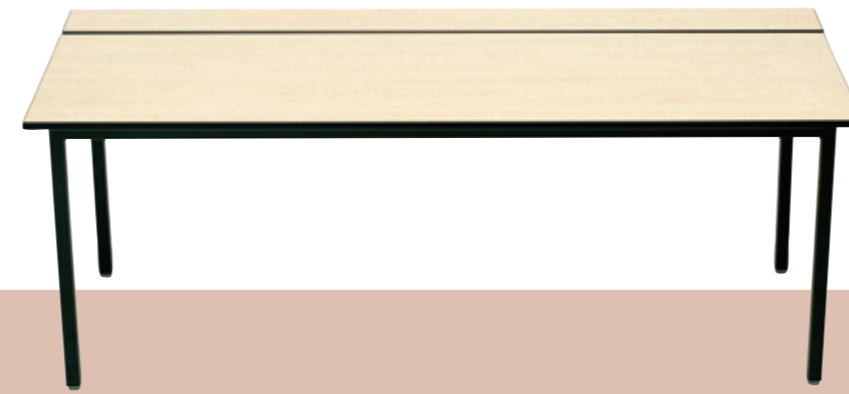

Various table sizes accommodate one, two, or three student stations per unit. Tables can be arranged in many configurations to suit a particular room or teaching environment.

Available as adjustable or fixed height units and with either PVC or urethane edges.

Keep wires hidden neatly in the top-access wire tray. Eliminate dangling wires and keep a neat look in your computer lab with the top access wire tray.
